DEDICATION

» With sincere appreciation for her many contributions to our school, we proudly dedicate the 1959 *Nicolet* to Miss Bertha Bienfang. Besides serving as foreign language teacher, she offers invaluable assistance to Menasha High School journalists in her capacity as advisor for our school newspaper, the *Blue Jay*. Donating unselfishly of her time and talent, Miss Bienfang spends many extra hours helping members of the student body.

Her friendly qualities and cheerful disposition have endeared Miss Bienfang to all who know her. Endowed with natural congeniality, she is a loyal friend to everyone.

Miss Bertha Bienfang

PHYSICS CLASS

» All physics experiments are not conducted in the classroom. Here, Shirley Kwiatkowski records data while Rocky Jersild measures the height of a bow during a test to calculate the earth's gravitational force. Such experiments reveal nature's laws and teach the student to think in a scientific manner.

Building Citizenship

MECHANICAL DRAWING

» Equipped with a straight edge and pencil, Roy Mehl seems to be engrossed in his mechanical drawing problem. Strict concentration, however, enables the draftsman to work with precision. At the drawing boards, challenging exercises develop the imaginative and creative abilities of students anticipating an architectural or engineering vocation.

TYPING CLASS

» Glancing up from the keyboard, Julie Wojahn listens attentively to Miss Wolff's instructions for the next assignment. The students in this class know that typing may prove to be an invaluable asset either in a a future career or in the preparation of assignments. They have learned that conscientious practice and perseverance in their work pay a high dividend during speed tests when self-confidence and finger dexterity are of the greatest importance.

SEWING CLASS

» Lu Ann Collins is seen at one of the machines in the home economics room. Sometimes the finished article fails to resemble its pattern; however, the girls realize that skill in sewing requires practice. While developing this ability, the students also become familiar with color and design in fashions.

From Class to Class

LIBRARY

» The quiet atmosphere of the library provides students with an excellent opportunity for serious study. Engaging in deep thought, Jerry Tummett, Dave Schanke, and John Remmick consult reference material while preparing class assignments. Students find enjoyment and relaxation in exploring the many books and magazines available in the library.

GEOMETRY CLASS

» "Ouch!" cries Tom Resch as he jabs his finger with the needle coming through the paper. He and Jim Stenson find curve-stitching an interesting sidelight of geometry. But as Tom can testify, it requires not only patience and imagination, but also a steady hand to work out an intricate design. Besides having everyday applications, geometry offers many challenges and adventures to the student seeking a sound mathematical background.

What greater or better fight can we offer the republic than to teach and instruct our youth?

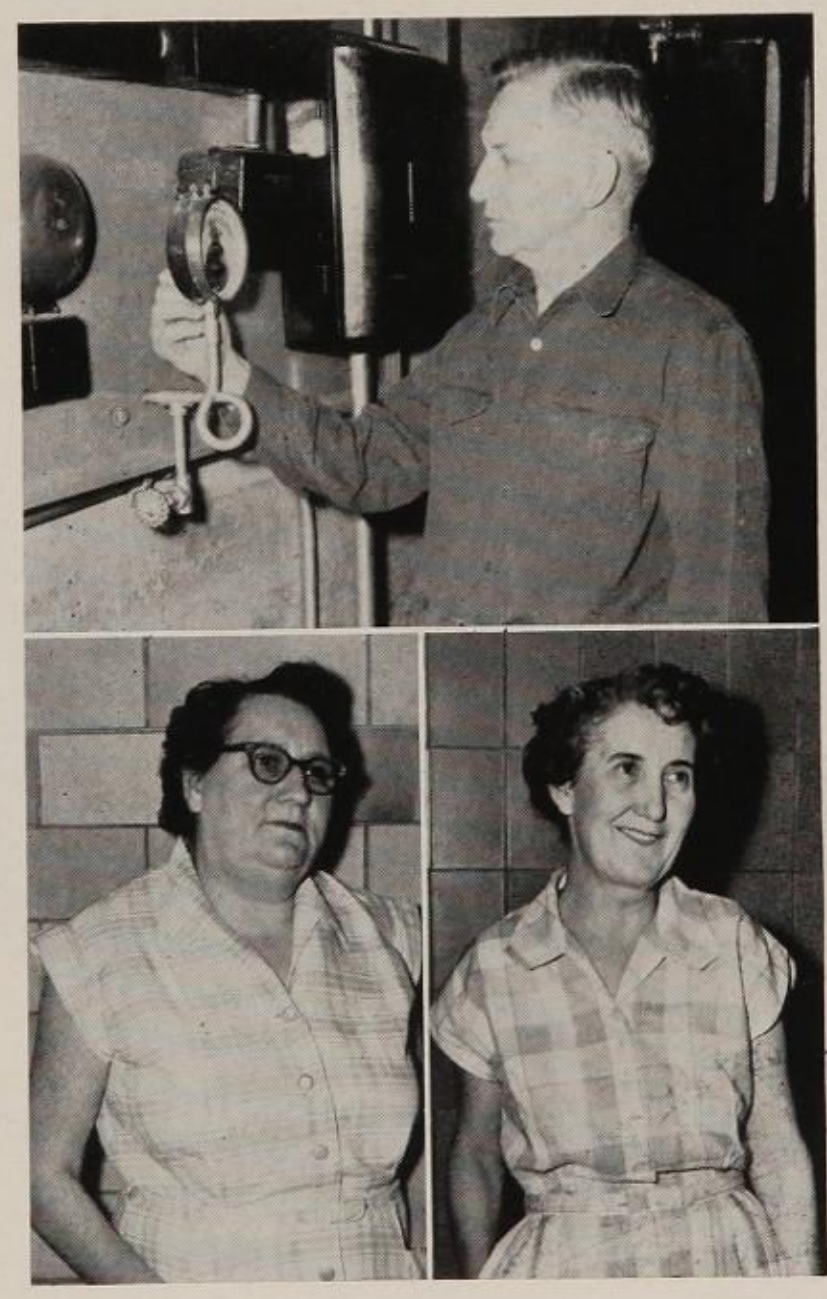
Merits Recognition

MAINTENANCE STAFF: Mr. Nicholeisen, Mr. Telin, Mr. Geroux, Mr. Burowski.

» Much of our pride in being Menasha High School students lies in the beauty of our school and its grounds. However, we often forget that our maintenance staff is responsible for the neatness that we generally take for granted. This group deserves due recognition for the excellent appearance and smooth operational conditions of our building. As students, we thank you for the trimness of the campus and the cleanliness which we find prevalent in the school's interior.

Members of the maintenance staff include Mr. Burowski and Mr. Nicholeisen, who keep the auditorium and vocational wing in peak condition; Mr. Geroux, who takes care of the gymnasium and boys' locker rooms; Mr. Telin, who keeps our corridors and classrooms tidy; Mr. Dombrowski, who is responsible for the heating and water systems; and Mrs. Kurowski and Mrs. Schommer, who have charge of the administration offices and girls' locker rooms.



MAINTENANCE STAFF: Mr. Dombrowski, Mrs. Schommer, Mrs. Kurowski.

If winter comes, can spring be far behind?

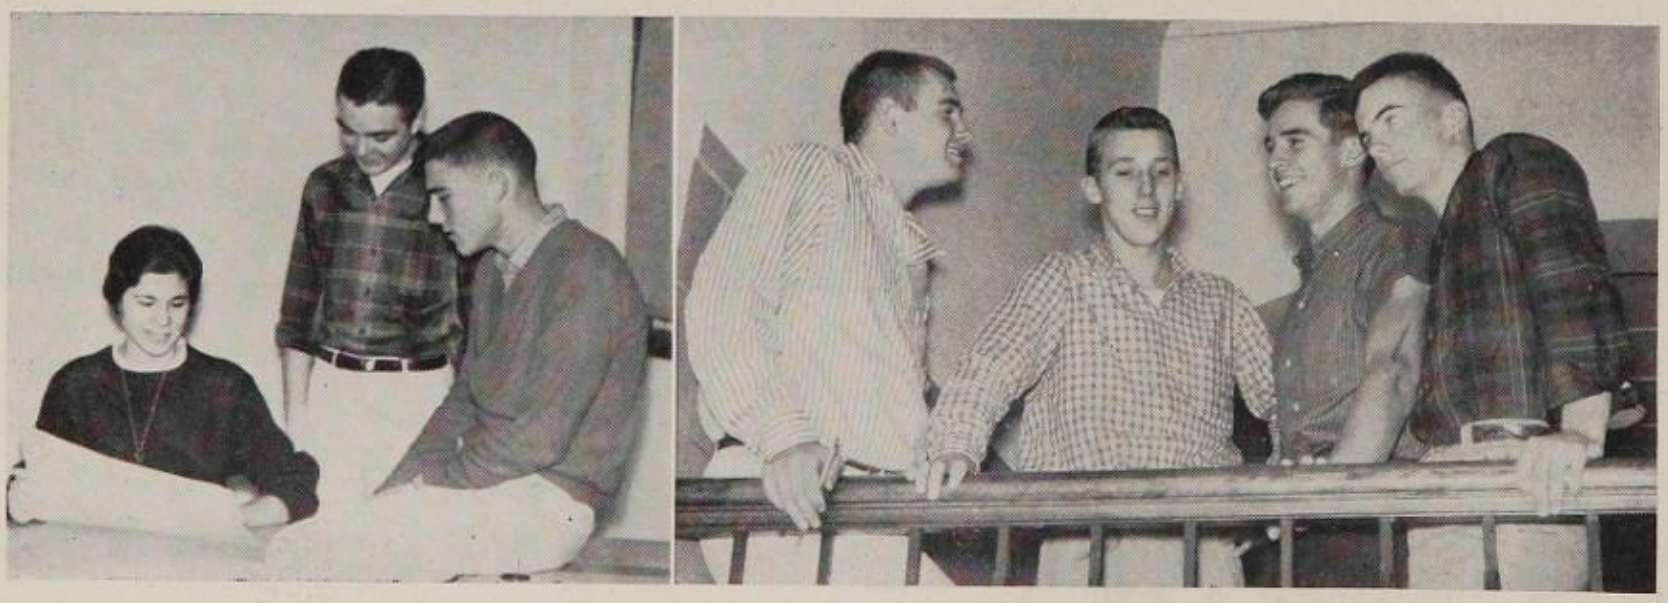
» Do you recall that September morning in 1955 when you wandered down a maze of halls searching for your classrooms? You encountered other perplexed students experiencing a similar sense of confusion. Those same students soon became close friends—friends who shared in making your high school days an unforgettable portion of your life.

The one minute alotted for your impromptu speech in Sophomore English seemed endless, but Mr. Schoening insisted his stopwatch was correct.

South Seas Serenade, the most anticipated night of your junior year, was the product of many enjoyable weeks of labor and planning.

As a Senior you cheered proudly when *We'll Sock 'Em* won first place in the Homecoming Parade. Now you look ahead to the fulfillment of your vocational plans or professional ambitions.



(1) LOU ANN HEIDTKE, Jon Pekel, and Doug Russell discuss their experiences as Badger State representatives. (2) SENIOR CLASS OFFICERS, Dick Taves, treasurer; Tom VanBuskirk, president; Jim Jurek, vice-president; and Bill Bauer, secretary, take time from their busy schedule for a friendly chat.

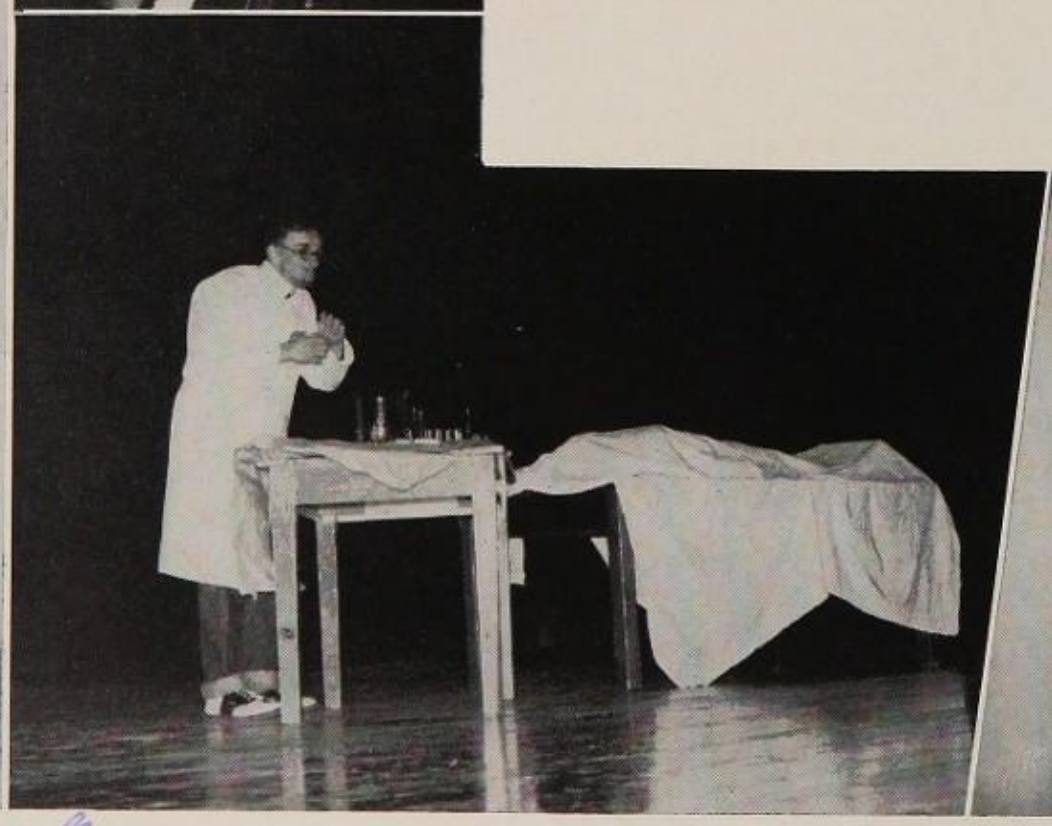
EVONNE JUREK PONDERS momentarily over the meaning of the shorthand symbols she has written.



Odds 'n Ends

(1) "WHY WON'T THEY FIT?" is a common thought to seniors taking the manual dexterity tests. (2) "GOT THE BEAT?" Entertainer Dan Sanderfoot portrays an eccentric personality at the Senior All-School Dance. (3) GAINING FAME, SINGERS Sue-Ann Holm and Sharon Anklam practice a duet with accompanist Amber Nyman. (4) "HOW'S THE WEATHER UP THERE?" Sheila Johnson asks Chuck Weber, the tallest member of the class. (5) THE MAD SCIENTIST, Mike Koerner, brews a serum to arouse the monster, Dan Sanderfoot, during the senior class pep assembly. (6) AMBER, DOES THAT load of books really tire you that much?

Dear Chuck,

If you eat your spinach, I'm sure you'll have no trouble growing (as if you need it)

I've enjoyed hearing about your college tales and so on.

Luck to an English "Lit" brain!!

I know you'll succeed in your conservation work.

Forever,

(1) "I KNOW THIS MACHINE by heart," says Tom Talarczyk to Bob Young. They're both fourth year printing students. (2) "WHAT DO YOU WANT?" seems to be the thought on Bob McAloon's mind as he looks up at the gathering, Tom Jakowski, Dave Emerich, and Ed De Braal at his locker. (3) STUDENT ANNOUNCERS, John Ross and Jon Pekel, discuss the items to be read over the public address system. (4) "HAVEN'T I SEEN YOU somewhere before?" Senior class twins, Tom and Jim Kohanski and Jean and Joan Romnek, ask as they observe each other inquisitively. (5) "ISN'T THERE ANOTHER PAGE?" asks Amber Nyman as she examines announcements on the Student Senate bulletin board. Gail Fitzpatrick and Harry Kachur seem to find humor in Amber's curiosity. (6) AN EXTRA EXIT IN Wally Maynard's car proves useful to Doug Russell and Dan Sanderfoot. Perhaps "Scoop" Mueller is thinking of exiting through the window.

JUNIOR CLASS OFFICERS: Bonnie Berro, treasurer; Mae Fredrickson, secretary; John VandeCastle, president; and Dave Fahrbach, vice-president.

Experienced Juniors

» The class of '60 is a class of many and varied talents. As juniors their talents became more evident as they helped provide the *Blue Jay* with reporters, the band and vocal groups with musicians, the sports department with athletes, and the forensic organization with speakers.

Foremost in the thoughts and efforts of the juniors was, of course, the traditional Junior Class Prom.

The class of '60 is prepared to assume the responsibilites left by the class of '59.

Achieve Recognition

» A great deal of talent and initiative has continued to develop in the sophomore class.

Sockmore, an event to be remembered by all sophomores, proved that underclassmen can really enjoy themselves at class parties. On this occasion Clara Gear and George Grantin exhibited their natural abilities in "rock 'n roll."

This class has succeeded in producing many promising athletes and several varsity and "B" team cheerleaders.

SOPHOMORE CLASS OFFICERS. Clara Gear, president; Lana Schliem, treasurer; Lee Schliem, secretary; and Bob Lang, vice-president.

First Year Frosh

» That first unsuccessful try at our locker combinations, the fear of being tardy, the jungle of new faces and places—all contributed to the strange feeling of our first days at Menasha High. The long maze of halls through which we cautiously wandered was a foreign world.

The many strangers eventually became our friends, and we quickly developed a feeling of belonging. Now we are secure in our roles as M.H.S. students and look forward to a fruitful high school career.

FRESHMEN. *Top row:* Cook, Christison, Domro, Blohm, Bednarowski, Belau, Cox, Braun. *Second row:* Biedermann, Jeanne Arseneau, Brandt, Buestrin, Buksyk, Judy Arseneau, Akstulewicz, Dorschner. *Third row:* John Bojarski, Arnoldussen, Arno, Jim Bojarski, Arndt, Asmus, Cane, Deeg. *Fourth row:* Auxier, Beattie, Barnett, Ciskie, JoAnn Bojarski, Collins, Cottrell, Dombrowski.

» Excitement and tenseness seemed especially keen in the Menasha High School Auditorium when the awards day speaker stepped forward to announce the names of the people who were voted as members of the National Honor Society. Many of the hopeful students mentally reviewed the requirements of this national organization to see whether or not they were qualified to become members. Have I maintained a B average? Have I excelled in character, leadership, and service? Have I received consistently high personality ratings from my teachers throughout my four years of high school?

After the names of the fortunate juniors and seniors had been announced, resounding applause echoed through the auditorium. The new members proudly marched up to the stage to receive their symbols of membership . . . a gold pin for their reward of diligent work.

Government in Action

Besides the bi-monthly meetings under the supervision of Mr. Bachhuber, its many committees work after school and during free periods to complete assigned duties.

As senators help our school with their service, they gain knowledge of government and obtain valuable, practical information while aiding their classmates and the school. Proudly we say our senate is government in action.

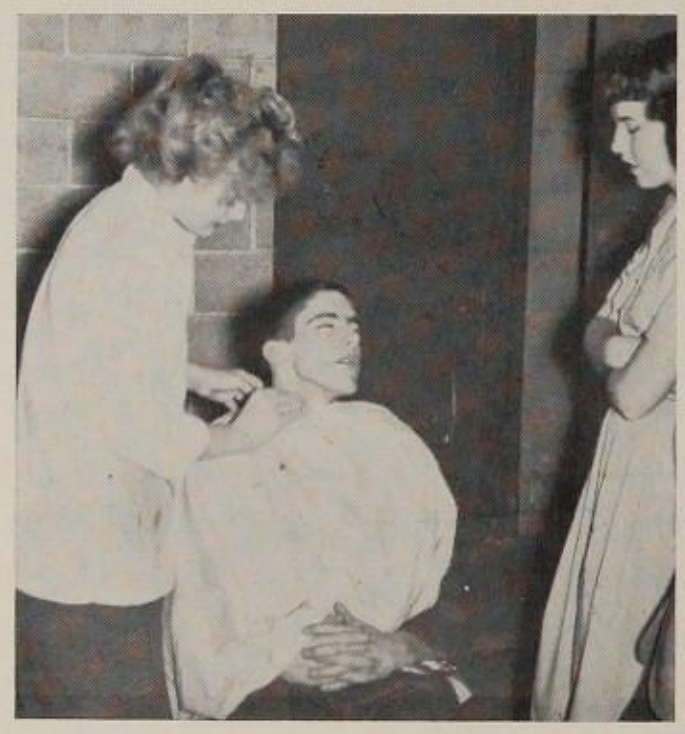
Jay

BY STANDING UP against the enraged mob which is ready to drive him from his home, Joseph Blake (Louis Kubicka) shows true courage and determination.

DEXTER BELOW is hardly recognizable beneath the make-up so deftly applied by Jo Ann Harold.



» "Make that slap more realistic. Get angry. Remember you're talking about throwing a man out of his home. Be more convincing."

In an attempt to bring out the best performance from each actor, Mr. Schoening used such frequent reminders while directing the Jay Players fall production, "Thunder on Sycamore Street." Written by Ronald Rose and first produced on television, this play concerned an ex-convict, played by Louis Kubicka, and his struggle for his right in a community which would not accept him. MR. HERZIGER, forensics coach, suggests some additions for Bill Ritchie's declamation.

THREE SPEECH CLINIC STUDENTS, Joyce Bethard, Judy Protheroe, and Kay Halversen exchange helpful ideas as they discuss their declamations.

» Aiming to become adept speakers, many Menasha High students participated in the school's forensics program. After attending speech workshops at our own school and at Oshkosh State College, the participants selected their fields of interest. Interpretive or extemporaneous reading, extemporaneous speaking, serious or humorous declamations, and other fields challenged this year's twenty-eight contestants.

The forensic program was successful; for, as always, the students obtained a wealth of valuable experience in speech work.

Debate

"A" DEBATERS Louie Kubica, Kay Halversen, and Jon Pekel review their arguments with debate coach Mr. Rippl before the sectional tournament.

» "Be it resolved that the United States adopt the essential features of the British system of education." The many facets of this resolution provided Menasha debaters with endless opportunities for exhibiting their persuasive abilities.

After preliminary groundwork our debaters, under the coaching of Mr. William Rippl, achieved a successful year of competition. While the students reached no solution for the problem in our school system, they agree that the information on education and public speaking was very valuable.

GARY GOODING gives his rebuttal to fellow debaters Jack Asmus, Roland Kippenhan, and Kay Halversen.

THE ROMATIC MOOD OF SOUTH SEAS SERENADE is complete as Queen Sharon Berro and King Jim Jurek dance to the rhythm of Harold Ferron's Orchestra.

Junior Prom

» Through the unified effort of the Junior Class the Menasha High School gymnasium was transformed into a romantic south sea isle for the presentation of the 1958 Junior prom, "South Sea Serenade." Lagoons, grass huts, and palm trees helped to create the proper atmosphere. With royalty Jim Jurek and Sharon Berro reigning supreme, prom-goers danced to the dreamy music of the Harold Ferron orchestra.

Following the activitites at school, many couples saw the movie "This Happy Feeling" at the Brin Theater. The festivities were climaxed with a party given by the P.T.A. at the Elks Club.

RELAXING BETWEEN DANCES are members of the court, Gay Anderson, Dick Taves, Nancy Anderson, Sandi Getzlaff, Sally Friedrich, and Bill Bauer.

Homecoming 1958

» The cool autumn air was filled with the sound of the M.H.S. Band as the Homecoming Parade began. Those Menasha residents who lined the parade route saw some of the finest floats that have ever been entered in this annual school event.

Many hours of time and work along with a cleverly depicted theme brought the Senior float, "Sock the Rockets," first prize. Dressed as housewives, the Printers' Club members drew chuckles from the parade viewers and second prize from the judges as their float, "Clean up Neenah," passed by the square.

The support of the student body made Homecoming a complete success. Our 7-6 victory over Neenah not only provided excitment on the gridiron, but also created a perfect atmosphere for thorough enjoyment of the Autumn Nocturne Dance.

(1) JEANNE DRIVER leads the cheering fans as the Homecoming activities get under way with the traditional burning of the "N." (2) THE JUNIORS get into the Homecoming spirit with their class float entitled "Raid The Rockets."

Court, Rally, Parade

THE SENIOR CLASS triumphed in the annual Homecoming Parade, winning first place with their float "Sock the Rockets."

AMBITIOUS SOPHOMORES, mixing enthusiasm with industry, won fifth place with their float "We'll Segregate Victory from Neenah."

Great works are performed not by strength but by perseverance.

CO-CAPTAINS Tom Stepanski and Dave Robinson talk over the season's record with Most Valuable Player, Dick Taves.

» The 1958 Menasha High School football team succeeded in winning its first Mid-Eastern Conference championship since 1954. Following a non-conference defeat to Appleton, the squad settled down and went through the season with six conference wins and one tie to bring home their eighth conference grid crown in M.H.S. history.

Under the tutelage of head coach Carl Steffin and assistant coaches Robert Bachhuber and Leo Kenney, the Bluejays came strongly alive for the remainder of the season after dropping their opener to the Appleton Terrors 12 to 0. The following week the Jaybirds trekked to Shawano and pounded out a 6-0 victory over the Indians. Dave Robinson, with the assistance of Charlie Weber's key block, swept left end for the only marker of the game.

Two Rivers' griders were the next victims, faultering 21 to 0. Displaying gridiron supremacy, Menasha overpowered Clintonville and Kaukauna 19 to 12 and 13 to 0 respectively. The Jays went into both games as underdogs, but the Bluejay line proved to be too much for their opponents to handle. The next week New London bowed 25 to 0. Again Menasha's forward wall proved to be too much for the Bulldogs to overcome.

Challenging the Jays in the bid for first place in the Mid-East Conference were the Rockets of Neenah. Neenah took an early lead with a six-pointer on a pass play over right end. Their point fell short. Late in the third period speedy halfback Bill Bauer scampered four yards to pay dirt. Dick Taves added the extra point which was the deciding factor of the game.

The final game of the season was a do-or-die game for the battling Bluejays. The Kimberly Papermakers marred the Jays record by tying them in the last two minutes of the

game 14 to 4. Despite the tie Menasha gained undisputed possession of first place.

The Jay's front line in the starting eleven included Kachur and Ristau at the ends; Emerich and Weber at the tackles; Winz and McAloon at the guard position and Taves at center. The backfield consisted of Stepanski and Bauer at the halfbacks; Ritchie, fullback; and Robinson at quaterback.

At the banquet it was announced that the co-captains of the '58 Bluejay squad were three year lettermen Tom Stepanski and Dave Robinson. Dick Taves, also a three year letterman, was voted Most Valuable Player by his teammates.

Much of the credit for the season's success can be attributed to the efficient work of the team managers, Ronald Resch, John Asmus, and Charles McCullough.

Menasha's record proved that the Bluejays had tremendous team effort. Many players received individual laurels. Those elected to the Mid-East All-Conference Team were: Bob McAloon, defensive tackle; Dave Robinson, defensive halfback; Tom Stepanski, offensive halfback; Dick Taves, offensive and defensive center; Charles Weber, offensive tackle; and Dick Winz, offensive and defensive guard.

The United Press International elected Dick Taves, 210-pound center, to the first team on the All-State football team. Taves was also elected to the All-American Team by *Sporting News*.

» The records are not always the most important part of a football season. The experience gained during the year often surpasses the honor of completing a highly successful season.

Although the Jay's record was heavy on the loss side, the yearlings showed enough potential to give hope of better teams in the future.

The Jay's first opponent was Kimberly. Menasha fell by a 19 to 13 count. For the next two weeks Menasha failed to tally against Wilson and Roosevelt. The Neenah Rockets trounced the Jays 44-7. The final game of the season saw the Jays come within one point of the powerful Kaukauna Ghosts.

A few players cited by Coach Gajewski were Tom Steinmetz, Jack Robertson, Jim Cook, and George Mason.

» The Menasha High School basketball squad collected four victories against ten losses in Mid-Eastern conference competition, good for a sixth place tie with the Truckers of Clintonville. Including non-conference games, the Bluejays posted an overall record of 6-12.

The Jays proved to be tough contenders throughout the season despite their lowly record. Menasha overpowered the defending state champions, Shawano, 50-48. In their Mid-Eastern finale, the Bluejays dumped Neenah 66-54. Dave Ristau netted 26 points to lead the way for Menasha. On many occasions Menasha forced their opponents to go to the limit by dropping seven games by five, or fewer than five, points. The widest margin of defeat was eleven points to Kimberly, conference leaders and potential state champions.

Menasha suffered their loss chain by bowing to Shawano, Clintonville, Kaukauna, Neenah, Two Rivers and Kimberly respectively. The following two weeks the Blue and White defeated New London and defending conference and state champions, Shawano.

In regional tournament action Menasha fell to Neenah in the initial game 63-59. Omro was the Jays' last victim of the season, bowing 69-59. In the consolation fray Menasha gave way to Kaukauna 55-53.

The Bluejays used Menasha's traditional man-to-man press on defense and, in doing so, proved themselves tough competition as the season progressed.

The Bluejay scoring efforts were led by John Matowitz and Al Blohm, both breaking the one-hundred point barrier. Bill Prange, Peter Lavalle, and Al Blohm led the Jay's rebounding department.

Starting the season in fine style, the Jays bumped Wilson, St. John, Kimberly, Kaukauna, and Neenah before falling to Roosevelt. Next they dropped Madison, Wilson, and St. Mary before bowing to Kimberly by a 31 to 25 count. The Jays concluded the season by downing Neenah 40 to 39 and Kaukauna.

Cheering for Victory

» Through the football and basketball season our peppy cheerleaders guided us with lively songs and cheers. The student body elected the Varsity and Junior Varsity Cheerleaders early in the fall after a series of tryouts. The girls were selected on the basis of character, poise, voice, pep, and ability. To arouse pep in the students at the ball games, these spirited girls initiated several new cheers which demonstrated their perfection in line formation and timing.

(1) ENCOURAGING SCHOOL SPIRIT are Freshman Cheerleaders Jane Zielinski, Pat Kondy, Peggy Mies, and Janice Konetzke. (2) AROUSING PEP in the students are Junior Varsity Cheerleaders Kathy Handler, Janice Hablewitz, Gretchen Stier, and Katy Christman. » The Jays came back into championship form with its first title since 1955 when it shared honors with Kaukauna. The home nine had a 6-1 record in league play plus four more non-conference victories and a win and a loss in tournament play.

Tight pitching and clutch hitting provided for many close games and were the strong points that provided an overall 12-2 record. One of these defeats, a 5-4 extra-inning game against Kimberly, was later avenged by a 2-0 victory.

The Blue and White's two top hurlers, Gordy Selbach and Ken Konetzke, formed one of the best pitching combinations in the area and hurled six shutouts. They held every team they faced under control until losing to Oshkosh 9-0 in the finals of the district tournament.

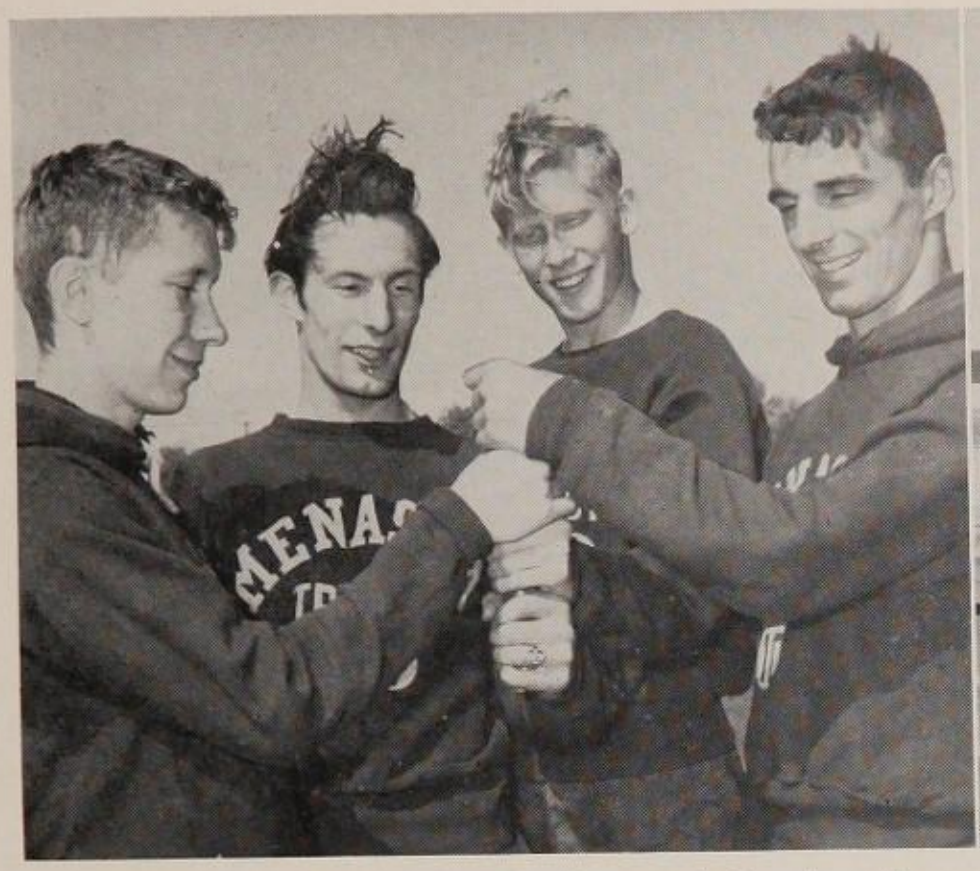
RON HAASS hands the baton off to Jerry Sobiesczyk in the last leg of the 880 yard relay.

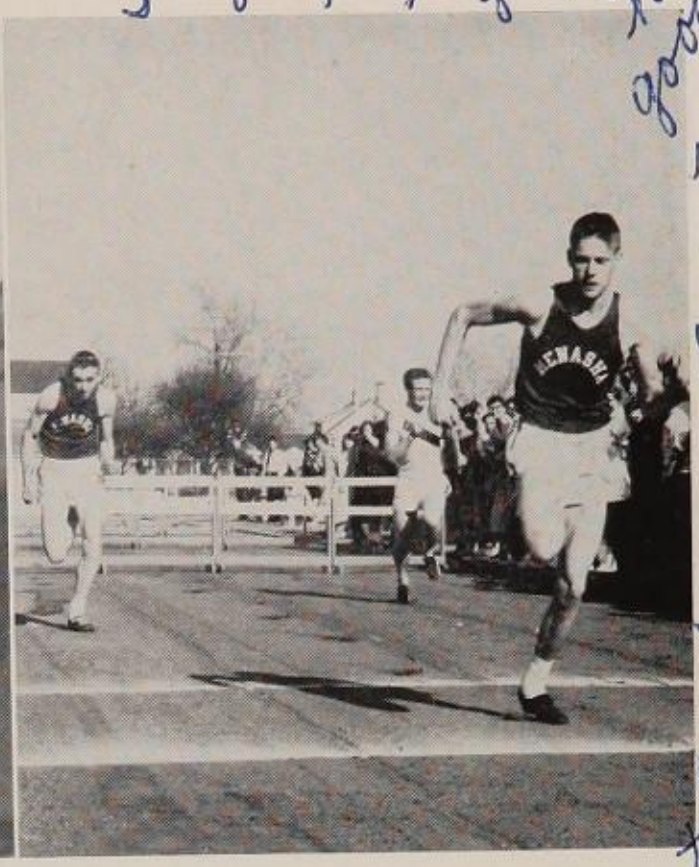
» Coach LeRoy's eighth season as the M.H.S. track mentor again proved to be successful. The 1958 thinclads scored wins in three of four dual meets and two of three triangular meets placing second in the one they failed to win. Jerry Sobiesczyk, Carl Jersild, Ron Haass, and Charles Weber paced the Jays throughout the season and completed the season in that same scoring order.

At the conference meet where Ron Haass was the only Blue Jay to place first in an event, Menasha copped fourth place trailing Kimberly by only one point. Haass had an excellent leap of 19 feet 11¾ inches in the broad jump.

For only the second time in eight years Menasha failed to win the Sectional meet which is annually held at Ripon. The M.H.S. 880 yard relay team raced to a 1st place in one minute and 36.5 seconds.

to a Successful Season





(1) RON HAASS, Jerry Sobiesczyk, Dave Ristau and Tom Stepanski constituted the 880 yard relay team.
(2) CARL JERSILD and Jim Hanson record a 1-2 scoring punch in their speciality, the high hurdles.

The Blue Jay cindermen, although led by juniors, broke two school records. Charles Weber broke the old shot-put mark of 44 feet 2 inches by flipping the iron ball 44 feet 10¾ inches. The medly relay team raced to a time of 3:53.4. The old record was 3:57. Dave Ristau, Ron Haass, Jerry Schanke, and Hal Jorgensen composed the medly unit.

Coach LeRoy is hoping for a highly successful season in '59. He partially bases his hope on the return of fourteen lettermen who are: Jerry Sobiesczyk, dashes; Carl Jersild, high jump and hurdles; Hal Jorgenson, 880; Jerry Schanke, 440; Ron Haass, 440 and broad jump; Tom Stepanski, dashes; Dave Emerich, Charles Weber, and Dick Taves, weights; Douglas Russell, mile; Roland Kippenhan, 880; Carl Frederick, 440; seniors, Jim Koziczkowski, mile; Bill Gerhard, 220; and Dave Ristau, dash-

The Jays breezed to an eight match winning streak before falling to their cross-town rivals. They then went on to finish the remaining ten matches with an impressive 8-2 record, falling once again to the Rockets and Manitowoc Shipbuilders.

In the Sectional meet the Jays capitalized on the opportunity to revenge their earlier defeats at the hands of the Neenah Rockets by trouncing them both in the singles and the doubles department. Jim Stenson stormed his way to the finals where he edged Neenah's candidate for the singles crown. Menasha's doubles team, Bob Adams and Jim Cronin, also breezed to the finals where they upset the favored Rocket team for doubles championship.

In the state tourney the Jays were able to finish in a tie for fourth place.

Musical Comedy of 1959

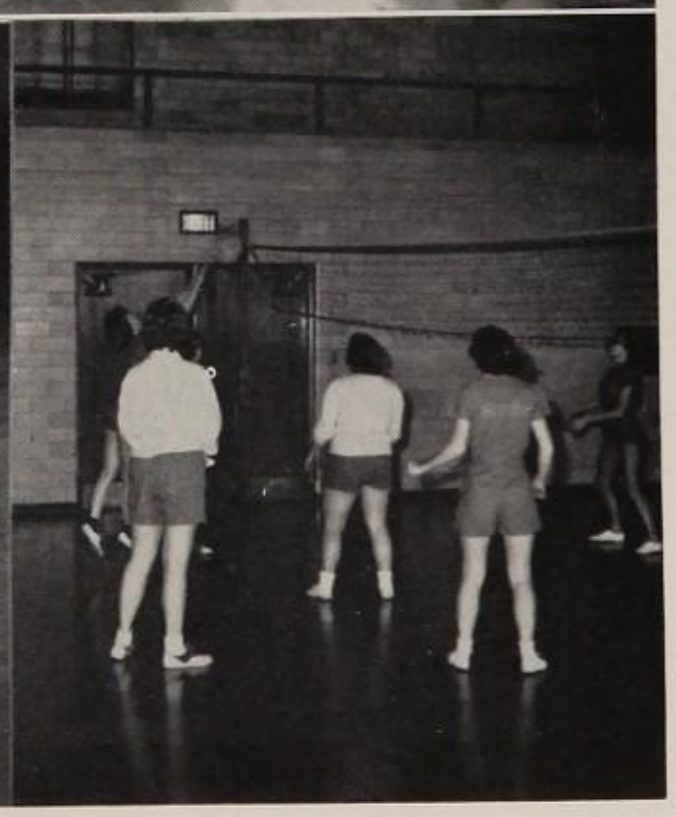
» April 1 and 2 marked the highlight in aquatic entertainment with the biennial presentation of the water pageant, "Musical Comedy of 1959." The mermaids, under the direction of Miss Isabel Schultz, performed their ballets and stunts to the background music from these outstanding Broadway plays: "South Pacific," "Music Man," and "Oklahoma." The girls also participated in rhythm swimming, floats, acrobatics, diving, relay matches, and under-water and quartet formations.

(1) SUE BAYER and Lee Ann Schliem get ready for the inner tube race. (2) THIS ACROBATIC STUNT by Janet Keberlein, Sandra Schanke, and Nancy Becker requires perfect balance and timing. (3) THE AQUATIC STARS Sue Bojarski, Jane Hyde, Peggy Parker, Sue Ann Holm, Pat Arno, and Barbara Keberlein await the opening number. (4) HERE THE PLANCHE is demonstrated by the stunt divers Julie Biggers and Gloria Gooding.

Active Gym Classes

» The M.H.S. Physical Education program provides students with the dual opportunities of developing physical co-ordination and learning sportsman-like co-operation. With the excellent facilities of a large swimming pool, gymnasium, and field, the Phy.Ed. department offers a variety of enjoyable sports aimed at pleasing everyone. Besides the seasonal games of football, basketball, and baseball, the program includes such activities as soccer, tumbling, and archery.

(1) MR. VANDENBOOGAARD, Physical Education instructor, checks this tumbler on the three point headstand. (2) "ARCH YOUR BACKS," shouts Mr. Vanden-Boogaard as these two boys perform a difficult balancing stunt. (3) MISS KNAUP gives the girls a few helpful hints on volleyball tactics. (4) IT SEEMS as if this seventh hour Phy. Ed. team is determined to defeat their opponents.



Industry is the soul of business and the keystone of prosperity.

Has it ever occurred to you that---

SCHOOL IS NEVER OUT

Your education began at birth.

You learned to crawl before you learned to walk.

You cried for attention before you learned to talk.

Right now, your education is helping to prepare you for your future career. However, your education doesn't stop when you leave school.

At Marathon, for instance, education is a continuing process.

Employees learn more and more about the machinery they operate, search for new knowledge about raw materials and finished products—from trees to chemicals, from waxes to inks, from printing plates to printed packages.

Yes, school is never out at Marathon. And, as employee knowledge grows, Marathon also grows—maintaining its role as a national leader in the manufacture of paper and paper products.

Hi Chuck,
I just got back from the beach. I had a great time. I went with my family. We had lots of fun. I also went to the mall with my friends. I bought a new shirt and pants. I enjoyed the movie. I ate pizza and ice cream. I had a great time. I can't wait to see you again soon.
Love,
Shirley
